

184 Tomewin Mountain Rd, Currumbin Valley

Two Architectural Homes on 15.8 Acres!

Set across 6.4 hectares of pristine rainforest, this rare estate offers not one, but two architect-designed homes. It's a private sanctuary alive with birdlife and koalas—yet in minutes you can swap the forest trails for a sunrise surf.

The first residence is all about sustainable living, with recycled timbers, industrial stacker doors and effortless indoor-outdoor flow. Light-filled and low-maintenance, it features two bedrooms, soaring ceilings and a prized north-east aspect. The main residence, designed by acclaimed Gold Coast architect Shane Denman, is pure character and scale—expansive sun soaked decks, plunge pool, dramatic ceilings and rainforest views from every room.

Separated by a long private driveway, the homes are completely independent—perfect for multi-generational living, guest accommodation or strong income potential. Few properties deliver this mix of seclusion, lifestyle and opportunity, framed by some of the most breathtaking views in Currumbin Valley.
